

ESQUIRE NORTH - HEAVEN'S CHAMBER

CAMPIONPLATT

ESQUIRE NORTH -
HEAVEN'S CHAMBER
NEW YORK CITY

The collaboration with Versace's Home Collection of furniture was the perfect stark luxury we needed to provide the backdrop to our spiritual and lofty living room in the sky at Central Park North. Our heavenly perch, replete with "cloud" carpets and earth bound Venetian walls commanded magical views of Central Park and midtown as if the room owned the view.
