## THE NEW **DESK SET**

Not everyone has or, for that matter, wants a room that's used exclusively as a home office. But on occasion, each of us needs just such a dedicated work space, even if it's only to write seasonal greeting cards. Here are five basic and highly portable elements that can be effortlessly pulled together to turn any domestic nook or cranny into an instant executive suite.

### **ON TOP OF IT**

Architect Campion Platt collaborated with Nicholas Brawer, a historian of military tent furniture, to create the Campaign Collection, a home furnishings line whose 20 pieces are compact, portable, and lightweight. The ebony Note to Self desk folds flat into a 26" x 48" x 30" carrying case. (\$4,800; 212-779-2751; [www.campioninc.com](http://www.campioninc.com).)
