

WRITER'S DOWNTOWN RETREAT

CAMPIONPLATT

WRITER'S DOWNTOWN RETREAT
FIFTH AVENUE, NEW YORK, NY

Using a prewar envelope was the perfect way to showcase the new CAMPION Campaign Furniture line, transforming a writer's Pied-a-Terre into a richly appointed bachelor's entertaining apartment and work area. The folding furniture, dark masculine hues and contemporary art all work to create more open space. The large bookshelves provide a centerpiece and divider for the apartment rooms.
